## Job Title: MERN Stack Developer

**Location:** Bhopal (Onsite)

**Experience:** 1 to 3 Years

**Employment Type:** Full-time

### About Brandsmashers:

Welcome to **Brandsmashers**, a dynamic company specializing in **digital transformation** across various sectors, including **e-commerce, agriculture, healthcare, and education**. We leverage cutting-edge technologies such as **React/Next.js, Vue.js, Node.js, Java, React Native, and AWS** to deliver customized solutions that drive innovation and efficiency.

### Job Overview:

We are seeking a skilled **MERN Stack Developer** to join our team in **Bhopal**. The ideal candidate should have hands-on experience with **MongoDB, Express.js, React.js, and Node.js** and be passionate about building **scalable and high-performance web applications**.

### Key Responsibilities:

- Develop, test, and maintain **full-stack web applications** using the **MERN stack**.
- Build dynamic and responsive **front-end applications** using **React.js**.
- Develop **RESTful APIs** with **Node.js** and **Express.js**.
- Design and manage databases using **MongoDB**.
- Optimize applications for **scalability, performance, and security**.
- Debug, troubleshoot, and resolve technical issues.
- Collaborate with UI/UX designers, product managers, and other developers.
- Stay up to date with the latest **MERN stack technologies and industry trends**.

### Required Skills & Qualifications:

- **1 to 3 years** of experience with **MongoDB, Express.js, React.js, and Node.js**.
- Strong knowledge of **JavaScript, HTML, CSS, and Redux**.
- Experience in building and consuming **RESTful APIs**.
- Proficiency in **Git/GitHub** for version control.
- Understanding of **authentication mechanisms (JWT, OAuth, etc.)**.
- Ability to write **clean, maintainable, and efficient code**.
- Strong problem-solving skills and attention to detail.

### Nice to Have:

- Experience with **GraphQL**.
- Knowledge of **AWS, Firebase, or other cloud platforms**.
- Exposure to **Docker, Kubernetes, or CI/CD pipelines**.
